# Championship History

The National Collegiate Fencing Championships were established in 1941 as one of the regular Championship events conducted by the NCAA.

This action resulted from a survey conducted by the NCAA Fencing Rules Committee to determine the interest in collegiate fencing and the possibilities of conducting a national championship event in the sport.

The first Championships were held March 29, 1941, at Ohio State University, with a total of 19 colleges and universities and 76 individual contestants entered.

The Championships have been held annually with the exception of the war years, 1943-46, and 10 institutions have been able to win outright or share team titles during the 19 years of the tournament. Seventeen institutions have shared the 57 individual championships awarded over that span.

The Fencing Championships are conducted under the direction of the six-man NCAA Fencing Rules Committee composed of:

- MIGUEL DECAPRILES, New York University, *Chairman*
- ELWYN BUGGE, Stanford University
- MAXWELL R. GARRETT, University of Illinois
- ROBERT KAPLAN, Ohio State University
- EDWARD LUCIA, City University of New York
- ANDRE DELADRIER, U.S. Naval Academy

**Illinois Memorial Trophy Winners**

The Illinois Memorial Trophy is awarded annually to the "Fencer of the Year" selected from participants in the National Collegiate Championships. The Trophy is awarded on the basis of sportsmanship and conduct on the strip, attitude and dress, and past performances in the Championships and in over-all intercollegiate competition. Three men are nominated in each weapon classification by participants. Final balloting is completed by a special committee composed of fencing coaches. The first award was made in 1951.
