

# CLEAN SWEEP FOR WEST POINT

## Cadets Win Every Fencing Bout from Pennsylvania Collegians.

*Special to The New York Times.*

WEST POINT, N. Y., Feb. 12.—In the first dual fencing meet of the local season the cadets had no trouble in winning every bout from the University of Pennsylvania team to-day. Although Sohlberg and Cocroft won, their work had not the finish nor the sureness of the touch they displayed last season, but the Army is confident that both men will shortly round into the fine form they showed in the last intercollegiate meet. Dargue, although a new man on the team, gave an exhibition that was exceedingly gratifying to the instructors. In the last round Strong was substituted for Cocroft in order to give him experience, and he won his bout from Sternfeld handily. Parker of the Pennsylvania team did the best work for his team, and gave a good exhibition of swordsmanship. Considering that Pennsylvania defeated Yale and came out second to the strong Turn-Verein team in the match for the Manrique Cup, it must be seen that Pennsylvania is not such a weak team as the score would indicate, and the Soldiers' overwhelming victory speaks volumes for the cadets in the forthcoming final intercollegiate meet this year. The summary:

**First Round.**—Dargue defeated Parker, Cocroft defeated Peterson, Sohlberg defeated Sternfeld.

**Second Round.**—Cocroft defeated Parker, Sohlberg defeated Peterson, Dargue defeated Sternfeld.

**Third Round.**—Sohlberg defeated Parker, Dargue defeated Peterson, Strong defeated Sternfeld. Judges were Mr. Reinherz, Mr. Alaire, Mr. Postgate of the Turn Verein.
