

# YALE AND COLUMBIA REACH FOILS FINAL

Finish 1st and 2d in Northern  
Division Meet With M. I. T.  
and Harvard Fencers.

The foils teams of Yale and Columbia survived in the Northern Division of the Intercollegiate Fencing Association at the Columbia auxiliary gymnasium yesterday and will compete in the finals at the Hotel Astor next month. Of the four men who qualified for the individual foils championship, Yale has two and Columbia and Harvard one each.

Dernell Every of Yale was the star of yesterday's matches. The Yale fencer was the only man to win all of his bouts and continued to be undefeated for the season, having won eighteen consecutive bouts in dual matches previous to yesterday. Every was runner-up to Levis of M. I. T. in the final last year.

The other Yale man who qualified was Frank Righeimer, who finished strongly by winning three bouts against Harvard. Columbia will be represented in the finals by Hugo Alessandroni, and Captain Robert Outerbridge will represent Harvard.

The Yale team had little difficulty in winning, 8-1, from Harvard, Outerbridge scoring the only point for his team by defeating Snow, 5-4. In the Yale-M. I. T. match, the Elis had a decided advantage, and won by 6-3. Columbia gave Yale the closest run, but lost, 5-4.

Harvard lost close matches to M. I. T. and Columbia, dropping both by 5-4 scores. While Yale was trouncing Harvard on the second strip, M. I. T. and Columbia were fighting it out for second place and the right to compete in the finals. After a promising start, M. I. T. slumped, and the Lions went on to win, 6-3.

Syracuse was scheduled to appear in the Northern Division, but changed a week ago to the Southern Division, which qualifies at Annapolis.
