
SUPREMACY OF YALE FEATURED FENCING

Elis Captured Four of Seven
Titles in College Tourney
Held Over Week-End.

Yale once more evinced its supremacy in intercollegiate fencing when Eli swordsmen garnered four of the seven titles in the thirty-ninth annual championship tournament of the Intercollegiate Fencing Association, which was held over the past week-end at the Hotel Commodore.

Winning team championships in épée and three-weapon, the New Haven squad also placed two individual titleholders—John F. Potter in foils and Rockwood Chin in épée. Except for the saber team crown captured by Navy, Army took the rest of the honors. The West Point foils team annexed the Iron Man trophy, emblematic of the foils team title, and Cadet Maurice Evans Kaiser won the individual saber laurels.

Fpee—Rockwood Chin, Yale.
