Points awarded for international competitions will remain in place until the competition is held again in the following calendar year. If such competition is not held the next calendar year or if the competition is not designated by the national coach, the points will be dropped 12 months after that international point competition. Points earned at World Championships remain until the next World Championships. Points earned at the Olympic Games remain until the next World Championships.				
USFA points will be awarded for results at Designated Senior World Cup and Grand Prix competitions as described below.				
Points will not be awarded in cases where the FIE has nullified the results of a Senior World Cup or Grand Prix competition and FIE points are not awarded for that competition.				
a. Fencer placed in the direct elimination round of 4, 8, 16, 32, or 64 in which the top 40% of the competitive field falls to a maximum of 32nd place, or 64th as specified in item b below.				
b. If the strength factor of the World Cup competition equals 2.0 and the fencer is promoted to the 2nd day table of 64 (complete or incomplete), placements between 33 and 64 will be awarded points (see Appendix 2.5 for point table).
